

WELCOME FUTURE WILDCATS!

You must register your student at the Lempster Community School main office. You will need to complete the registration packet along with the Records Release Authorization Form if you are transferring your student from another school. Both forms can be found linked above on this page. You will need to bring these forms with you along with the following items in order for your student's registration to be considered complete.

- Student registrations are accepted during normal school hours.
- A birth certificate for the student must be presented. Parents/Guardians will be asked to provide (2) Proofs of Residency for the Town of Lempster (please see Residency Affidavit in the packet for examples) and sign our Residency Affidavit.
- Up-to-Date Immunization Records
- Parents/Guardians must provide documentation of a physical exam, by a healthcare provider, dated within one year of the student's starting date in the Lempster School District.

If you have any questions, please feel free to call the main office at Lempster Community School and speak to Tara MacIntyre or email tmacintyre@sau71.org
